Shenzhen UKI Cosmetics Co. Ltd

# Our Advantages

## Makeup Brushes with Highest Quality

Our super soft bristles and high-end makeup brushes are generated from high quality selected raw materials and state-of-the-art craftsmanship. Designed for comfort, our brushes provide a pleasant and effective makeup application experience, without any shedding.

## Low MOQ for OEM & ODM

We understand the importance of brand identity, which is why we offer low MOQ for logo customization. Whether you're a startup or an established brand, our OEM & ODM services are tailored to meet your specific needs, allowing you to personalize and stand out in the market. Our MOQ for customizing makeup brush is 1K and for gua sha and roller only 100 pcs.

## Lowest Factory Pricing

Low cost means bigger market and big sale! We insist on lowering our cost by continuous upgrades of management and high efficient and innovative production.

## Innovation

Since day one, we insist on designing and developing new styles of makeup brushes and other beauty care tools. At least 6-8 sets of self-developed new products per month. The market likes New styles, which can help to get big sale.

## More than a Factory

Besides for production, we can also provide you Professional Photography Services, such as photographing of the products, designing of the packaging, vedios shooting etc., which can save you a lot of money, as well as Logistic Solutions so that your order can reach its destination port or even your doorstep hassle-free!
